OVERVIEW

Hi, I'm Himanshu Chandna and I'd like to introduce myself and give you an overview of my academic career and interests. I started my education at Angels Public Senior Secondary School for High School and continued it at IITM and VIPS Universities while pursuing multiple degrees. During this time, I became quite interested in video games, robotics, and coding. Along with being enjoyable, these pastimes have influenced my creativity and problem-solving skills.

EXPERIENCE

IITM Kanha House 04/2022 - 09/2022 Head Web Developer

- I'm responsible for the modification of house website, generating ideas about the new features and leading the web developer team.

The Big Bookshelf 02/2023 - Present Founder

- Started an online marketplace platform for books as a solopreneur in which we can sell and purchase used books straight from the buyer without any interference of third part vendor.

Smart India Hackathon 09/2023 - Present Team Leader

- I'm responsible for leading the team and working as one unit for achieving the same end goal.
- I led the whole team to victory in the internal hackathon and whole-heartedly worked towards the project.
